“ Team Emilio “

Running in the Rock n Roll Marathon June 1, 2008

As with all parents, our son was the center of our universe. The first three years of parenthood brought the most profound love a human can experience. Shortly after Emilio's 3rd birthday, Emilio was diagnosed with Acute Lymphoblastic Leukemia . For the next 2 years we lived in fear and hope. Our little soldier lost his courageous battle shortly before his 6th birthday. We realized early that there existed few resources for families in the same situation. We created The Emilio Nares Foundation (ENF) in 2003 and are located inside the Ronald McDonald House. We provide medical information, support groups, respite care and transportation (“Ride with Emilio”) Family Resource Center, bone marrow registry drives, bereavement and burial support to families in San Diego County whose children have cancer .

June 1st, Richard Nares will be running his **5th Rock n Roll Marathon** as part of *“Team Emilio”*

All race proceeds from all members of *“Team Emilio”* will go to the programs at Emilio

Nares Foundation. If you would like to support *“Team Emilio”* and help us raise funds for our

Family Programs please call or for more information, call 1-877-507-7788.
